

IT IS NEVER TOO LATE
TO BEGIN A NEW PATH
IN YOUR LIFE!

Berean Bible Institute is a school of college level adult education that provides sound biblical and doctrinal studies. We also provide training in ministry and leadership skills to help individuals become prepared to do the work of the ministry in local churches and on the mission field.

Prison Mission Association is committed to seeing people growing in God's grace. We hold this as the key to unlock the potential of every person created by God. We do this through regular visitation to jails and prisons where inmates are challenged to establish a personal relationship with Jesus and commit to biblical discipleship where they are encouraged to grow spiritually and personally.
