

#5. What I am trying to discover with these bible study courses is a deep knowledge of God, Jesus, and the Holy Spirit, and have a better personal relationship with them so I can be that vessel that they need to reach the lost. God has called me to be an evangelist, with fire and love and I am filled with God's passion for the lost souls of this world. **Right now, I am challenged with the task of reaching all of the Muslim men within the prison, and that is why I am sharpening my knowledge.** -David Basco, Cameron, MO

#6. Hello everyone at Prison Mission Association. I just want to tell you how happy I am that you are involved in my walk and growth in the knowledge of the Scriptures and getting to know our Lord as He knows me. Thank you all for the moral support and help in my learning and becoming a better person. I hope that one day I can become as similar to Jesus Christ. I know that it is a long shot and a lifelong commitment. God knows I am working really hard and doing my best to let Him make the changes that I need to make in my person and lifestyle. It will be a lot easier with Him and all of you surrounding me.

I am hoping to become a small light of His in this world of imprisonment where the enemy uses all of his tricks to deceive those who are small or weak of spirit. Thanks to His armor of salvation and brothers and sisters like you who support us, we can climb and move mountains ahead of us.
Sincerely yours, **Jose Diaz**

(Jose also wrote a praise worship song in both Spanish and English but we are not able to include it here due to lack of space).

#7. **Thank you for the study. I have implemented it in many ways.** For my recovery I have allowed God to see my mistakes and help correct me. As a believer, I am trusting in God's word. God bless you all!

Praise Points

Here is part of a recent email from Pastor Chah Joseph, in Kumba, Cameroon, who was first introduced to PMA lessons he took back in 1996 with Dr. L. Asong who served with PMA. Chah came to faith in Christ through the PMA lessons. Now he is teaching the lessons with Pastor Jacob Bali, who also co-host a radio show in Kumba. Praise God that those seeds planted by PMA back in 1996, are bringing eternal fruit now today.

“We are still making new arrangements to begin the prison ministry again in Kumba. I have been downloading and printing many lessons. I have more than a hundred people taking these courses and asking questions to learn. I just felt that I should be more committed to this course which to me is very noble and humbling, one to the glory of God. Be praying for us here as we join you in this intercessory mission. To God be the Glory. Always in His Abiding Love,
Chah and Constance Joseph.”

Praise God for new donors and prayer partners for our growing ministry!! We are thankful for YOU!!!! Have a happy Thanksgiving!

Praise God for continued growth of our “Prison Transformation Radio – Changing Hearts with Christ” podcasts which have now been downloaded in Germany, Russia, Canada, UK, Philippines, Turkey, Australia, Italy, and Tanzania. You can just say, “Siri or Alexa, play podcast Prison Transformation Radio.” It is that easy now! You can also hear them on YouTube, Apple Music/iTunes, Google Podcasts, Spotify, TuneIn, iHeartRadio, Pandora, Amazon Music/Audible, PlayerFM, Podcastaddict, Stitcher, and more! etc. and at www.prisonmission.org/media and <https://prisonmission.podbean.com> We plan to make this available on the Edovo tablets as well.

Pastor Dwight has been able to speak at several churches recently at Grace Bible Church, Bowler, Wisc, and Grace Bible Church, Beloit, Wisc and was very encouraged by the interest and support for the PMA ministry. PMA wants to help provide resources for churches to grow.

Prayer Points

Pray for Simone Monfort, our PMA operations manager at our Port Orchard, WA home office and team as work continues to increase with our expanding growth. She is doing an excellent job! We praise God for her!! Pray for more volunteers to be able to help in the office and also to correct lessons from home.

Pray for our **need for a bilingual volunteer** near our Port Orchard, WA office to help with the **Spanish lessons**.

Pray as doors are opening to connect with inmates again in MN jails and prisons. We have been sent application forms to begin the process of being able to visit inmates again!! **They are also working out a way for us to have zoom meetings with inmates.**

Pray for more open doors in churches and places we have never been before! **We would be happy to do a zoom call with any church** or Bible Study groups.

Pray for **more local churches to start a local BCF** (Bible Correspondence Fellowship) so they can reach out to their local jails and prisons. We now have 38 BCFs around the country and overseas!

Pray for Dwight’s health to continue to improve. He lost 15 pounds so far now to help with the hiatal hernia which requires a certain diet and the medication seems to be helping with his eating difficulties. Dwight also has some major dental work -root canal/ crown or implant/crown needed which will cost a lot so pray for God to provide and wisdom of which treatment to use.

#4 I really enjoyed this Bible study. Some of the topics seemed to speak directly to situations I have to this day. I feel really special to be a part of this. Thank you and God bless. I am really looking forward to the next lesson. I would like some of it to be a bit more challenging. I understand that not everyone can be pleased. Have a great day filled with the Spirit. I am actually doing this study from solitary confinement, so it is a huge blessing. **Larry Bay Yawn,** Yazoo City, MS,
