

me a grace filled life. I am growing in faith and obedience. May God continually bless P.M.A, your family, and your ministries. With eternal gratitude, -- Kunio, Norco, CA

#4 Thank you for enrolling me in your correspondence course. God has given me another chance to truly live. **I want to know God. I want to talk about God.** We do not have Christian services in our facility, and I want to learn. This course is great, and helps me to explore God's word. Thank you and God bless all of you! Amen, Eric, Fairbanks, Alaska

#5. I like this Bible study. I know it's just an introductory lesson but it was very knowledgeable. **All my answers came straight from God's word. Thank you and please keep sending lessons.** God bless you all! --Joshua, Newcastle, Indiana

#6. Brothers and Sisters in the Lord I pray this letter finds you all blessed and highly favored in the Lord Jesus.

I just wanted to write and tell you thank you and God Bless you all and your families for the Bible study that you sent me through your ministry and that **I really also appreciate the letter you also sent along with the study and your words of wisdom of encouragement.**

I personally don't get a lot of mail in here except what the Lord sends me as I have no family so to speak of and I don't get much of a chance to even write many letters, but the Lord made a way for me to write you and say thanks again and **I want to encourage all of you to "weary not in well doing" and God bless you all** and your families and I'll be praying for all of you, your Brother in Christ the Lord, -- Cecil

#1. I do have to say that **this is one of the best Bible studies I have done so far. It was challenging,** made me dig for answers, and helped me go deeper into Scripture. #2. I am really enjoying these Bible studies. I feel like a kid hanging on to every word and wanting to know more. I love what God is doing with me.
