

## We are thankful for ministry partners at PMA!

**Norm Andersen and Dwight Anderson**

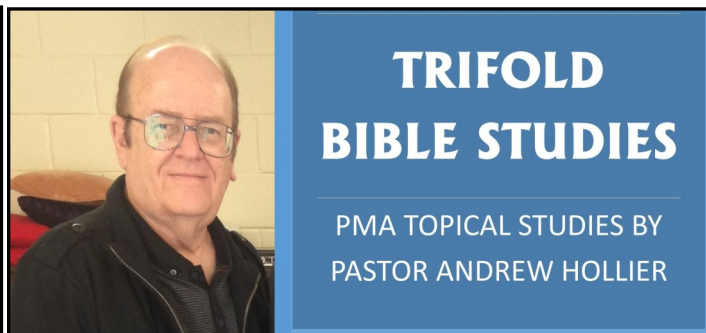

Our dear friend, Norm Andersen, author of “12 Seeds for Successful Relationships” has graciously **offered to give PMA his 12 seeds ministry**, copyright for his books so we can incorporate this into our ministry starting June 30. Please pray for Norm as he will become a volunteer for PMA, helping us as we publish his new book, “12 Seeds Growing in Love” in Spanish coming out soon. Norm and Dwight have teamed up to teach 12 Seeds Leader Workshops in Prisons.

PMA wants to help **provide resources for our churches to grow** so please contact Pastor Dwight if you would like us to lead some workshops like 12 Seeds Leadership workshops, Leadership retreats or vision casting workshops.

Please be in prayer for wisdom in how we will be able to expand our ministry with these valuable resources, maybe even in ways we have not dreamed of yet as we seek God’s will in all of this. We will incorporate their website [www.12seeds.com](http://www.12seeds.com) into our website.

## Inmate Testimonies

For PMA, it is **not** just about numbers, it is about **God transforming lives**. Here are a few examples from recent letters.

Dear PMA,  
Thanks for your brotherly kindness in providing free Bible Correspondence Fellowship lessons and a special thank you to E.P. who graded my previous study (Foundations of Faith, #1) for taking time to go through my papers and for leaving a kind message of encouragement.

Whether you have a lot or a little to write, just remember that small acts of kindness can be just as powerful as big donations. **If you can make a difference in just one life of an incarcerated person, you have done a**

**great service**, because simple kindness can start a chain reaction of similar actions inside this facility, resulting in his/her effort initially becoming magnetified many times. – **J.D.**

This study was given to me by someone who knew I was looking for a Bible study. When I first glanced over it I was not going to do it. However, the more I prayed and looked at it, I decided to give it a try and it frustrated me every step of the way. **It challenged me**, I did not enjoy flipping back and forth between the books of the Bible to find answers. I thought it was unorganized, however, not only did I enjoy it thoroughly, but **the flipping also back and forth familiarized me with the Bible layout**. Thank YOU! Blessings,  
– **J. Williams – Groesbeck, TX**

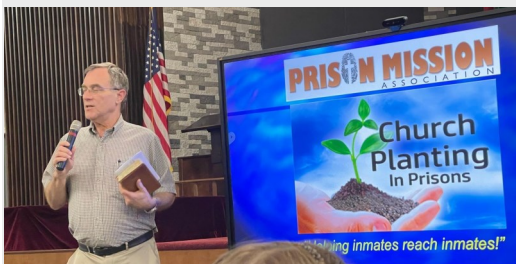

Dear Staff at PMA  
Thank you for your continuous support. **Because of PMA, I have been successful in the Los Angeles county jail for the past 27 months** despite an unusual and challenging environment. Things get better thanks to your prayers, encouragement and guidance. So once again, I thank you for all the unseen hard work and for your spiritual support that you have been doing to keep myself together and successful.

**PMA's Bible Correspondence Fellowship has always been my refuge.** I hope this new year will be one of prosperity of the best kind – rich not so much in material things (though there's nothing wrong with that) as in a strong relationship with God, shared happiness, joy, and an abundance of God's love. With a grateful heart,  
– **K. Yanagida Los Angeles County Jail.**
